

MISSION

Ties of Freedom explores the powerful journey from authoritarian and totalitarian regimes to democratic societies, shedding light on the hard-earned lessons that continue to shape and safeguard core EU values—democracy, the rule of law, and fundamental rights.

Through a collaborative and intergenerational lens, this project promotes European remembrance as a living, shared responsibility—uniting voices across generations to uphold and protect the democratic foundations of our future.

Intergenerational exchange as
a strategy to promote
democratic values

PROJECT NO: 101196470

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Climate, Infrastructure and Environment Executive Agency (CINEA). Neither the European Union nor the granting authority can be held responsible for them.

PROJECT GOALS

- Promote intergenerational exchange and understanding
- Empower youth as ambassadors of democracy
- Preserve and share the European historical memory
- Encourage active citizenship and civic dialogue
- Raise awareness of European values and achievements

ACTIVITIES

Storytelling Workshops

Real-life testimonies from individuals who lived under authoritarian regimes, shared in participatory workshops with young people to inspire reflection and dialogue.

Short Animated Film – Voices of Freedom

A creative audiovisual resource that illustrates the journey from authoritarianism to democracy across partner countries

Educational Toolkit – Democratic Talks

A set of ready-to-use materials designed to support discussions with young people on key democratic principles and civic participation.

Intergenerational Board Game – Gaming Box

A co-created educational game designed to facilitate playful learning and dialogue between generations on democracy and European values.
