

# VOICES OF FREEDOM

## The Animation Film

The Ties of Freedom **Animation Film - Voices of Freedom** is coming soon! A powerful tool to raise critical awareness, foster reflection and encourage debate with young people on democratic principles and civic participation.

### What is it about?

This creative audiovisual resource take us on a true journey across 20th-century Europe, revealing the challenges faced by Spain, France, Portugal, Romania and Italy in achieving and embracing the democratic values that underpin the EU.

### How will it help?

Together with the booklet and the toolkit, the animation film will support educators inspire new generations to value, protect and strengthen democracy.
