

INTERGENERATIONAL BOOKLET

New Resource

Discover the Ties of Freedom **Intergenerational Booklet**

An intergenerational booklet on the democratic transitions - the written collection of stories collected during storytelling workshops

What will you find?

- +15 testimonies from across Europe.
- Information on transition processes that took place in different countries.
- Illustrations made by children and youngsters participating in the project.

How can it be used?

- This booklet can be used as a tool to introduce the topic of democratic transition to young students.
- Provides insightful content for adults interested on the topic.
- The testimonies gathered in this written collection can be used to work on values related to empathy, recognition and defence of human rights.
